

# ASPHALT SHINGLE RECYCLING

Hutchens Construction  
5270 North Oak  
Springdale, Ar. 72764  
479-927-0257

Located off of Hwy. 264  
East, North of the Mid-  
Continent Concrete Co.  
plant and the Arkhola  
Ready Mix plant.

Only clean asphalt shingles (new or old) including tar paper and nails are accepted. No dirt, rocks, litter, plastic, paper, other metal, wood, etc. can be mixed with the shingles.

\$30 per trailer or truck load, \$50 per dump truck or dumpster load.

A magnet removes all nails. Once the shingles and tar paper are ground, the mix is combined with road asphalt to be recycled.

Enviro Drive W > forms > Asphalt Shingle Recycling 4/20/2011
